When you purchase an app through the bookstore or if you have purchased an app at LC-Ready.com and are joining a course, you will receive a license or course code. Redeeming this code to access you app or join your instructor's course is simple.

Once you've logged in at LC-Ready.com, click into the **REDEEM** tab on your dashboard.

Type in or copy & paste the code into the Code(s) box, and click **REDEEM**. If you have more than one code to enter, you may do so at the same time by separating your codes by a comma. You can also enter them separately, clicking **REDEEM** after each.

We love hearing from you! Contact us today to share your feedback or let us answer any questions you may have.
